To one who has long deserved the honor, we wish to dedicate THE BOMBER. Never before has there been anyone who was more worthy than Mrs. Mary Ann Woods.

This dedication is but a small token of our heartfelt thanks, especially from the seniors, who have profited so much through your guidance and to whom you have generously devoted so much of your time and energy. We only wish there were something even greater that we could do to express our gratitude to you.

To the Students of Midwest City Senior High:

May I congratulate the annual staff and sponsors for a job well done in the preparation of this 1957 annual.

I believe that the Bomber of 1957 will be a cherished possession. Truly, it is the story of Midwest City High School in action in picture form. May you always refer to it and recall many wonderful memories at M. C. H. S.

I trust that your school year has been a successful one. You are urged to continue to develop and train the best talents and abilities that you possess so that your future life may be such as to bring honor, not only to yourself but to your school as well.

May the beautiful memories recorded in this yearbook be the springboard to success for you in life's endeavors.

Typical Midwest Citian

CHLOE KENT - MARTIN FRICKS

Chloe has been a wonderful cheerleader for the Bomberette Pep Club, and also has been a very outstanding member. She has the honor of being chosen the 1957 wrestling queen. Chloe is certainly qualified to be "Typical Midwest Citian."

Martin Fricks was chosen as a 1957 representative to Oklahoma Boys' State. He serves as the "M" Club treasurer and is a member of the National Honor Society. Martin has lettered two years in football and basketball. Martin, too, is very deserving of "Typical Midwest Citian."

Most Friendly

No one in the halls of M. C. H. S. can miss the smiling face and cheery "Hello" of Peggy Henderson. She serves actively in the Student Council and on the Senior Executive board.

Bill has been one of the most outstanding players on our Bomber Football Team. He has been named as an all-state player for 1957. Bill was named to All-City and All-District. He has lettered two years in football and one year in wrestling. He is a member of the "M" Club.

BILL DANIELS - PEGGY HENDERSON

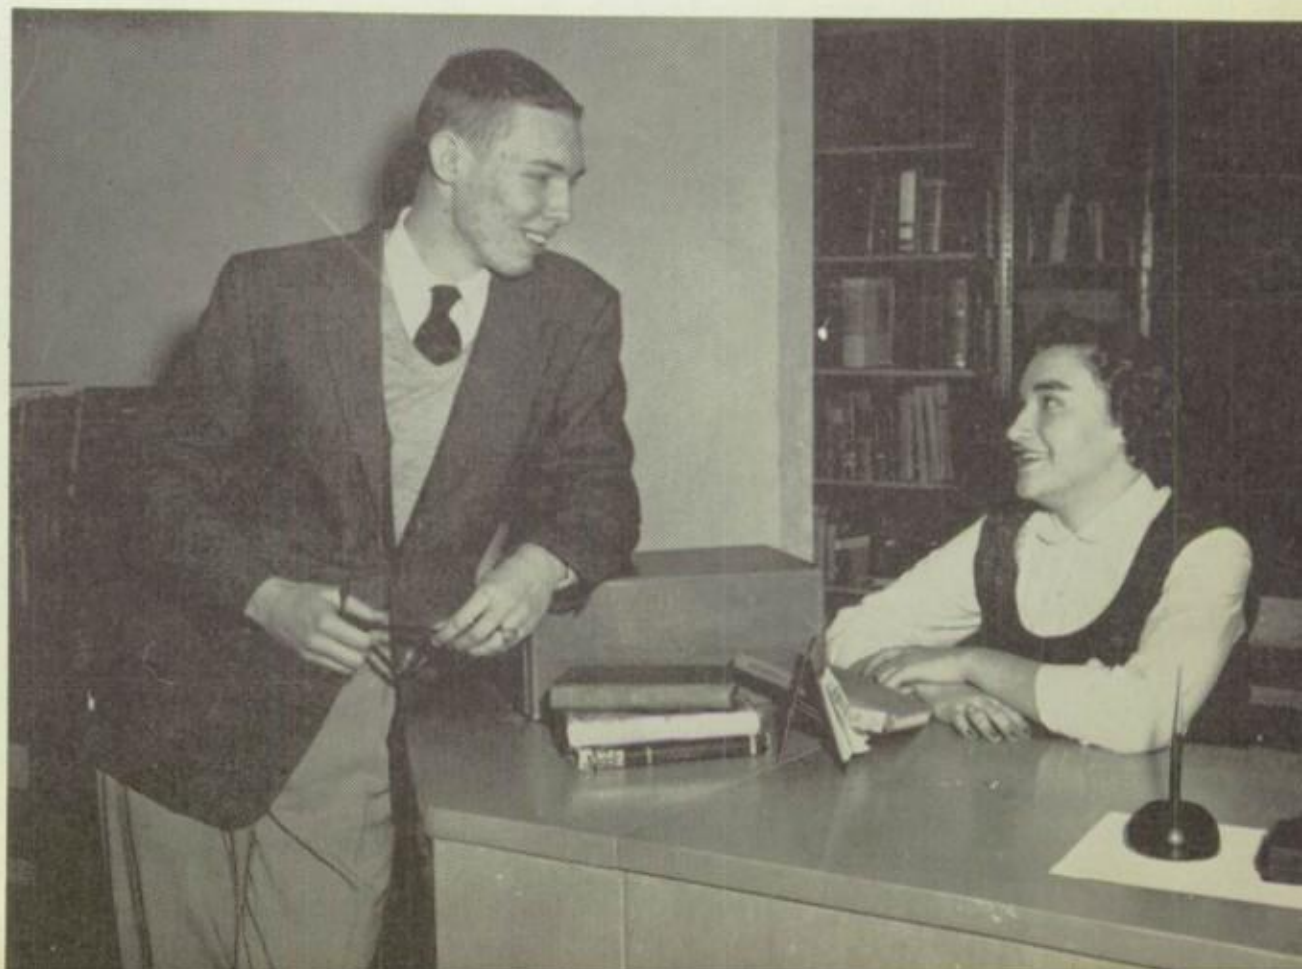

Senior Favorites

Most Likely to Succeed

Frances is the president of our F. H. A. and was a delegate to Oklahoma Girls' State last summer. She was the winner of the Betty Crocker Homemaker of Tomorrow award. In addition, Frances is an active member of the National Honor Society, Student Council and serves on the Senior Executive Board.

Everyone knows that Fred is certainly one of our most successful and intelligent students in our high school. Fred has lettered two years in basketball and serves as our National Honor Society President. No one could have been a better choice than Fred.

FRED SWAN - FRANCES BOLLING

Most Popular

This honor could not have been bestowed upon two more deserving students than these.

Betty is a very versatile young lady. She spent her summer as an exchange student in Finland. She serves as our very capable Bomberette Pep Club President. She is a member of the National Honor Society, Student Council and is one of the senior executive board. She has been chosen as senior football attendant and has the honor of being chosen as the Bomber's Basketball Queen.

Everyone in the halls of Midwest City High School knows Jerry Tubb to be a very wonderful and deserving boy. Jerry serves as vice president of the National Honor Society and the Senior Class. No one is more deserving of this senior favorite than Jerry.

BETTY PETERS - JERRY TUBB

Best All-Around

This honor, "Best All Around" could not be better illustrated than by these two students. They are active in many school activities.

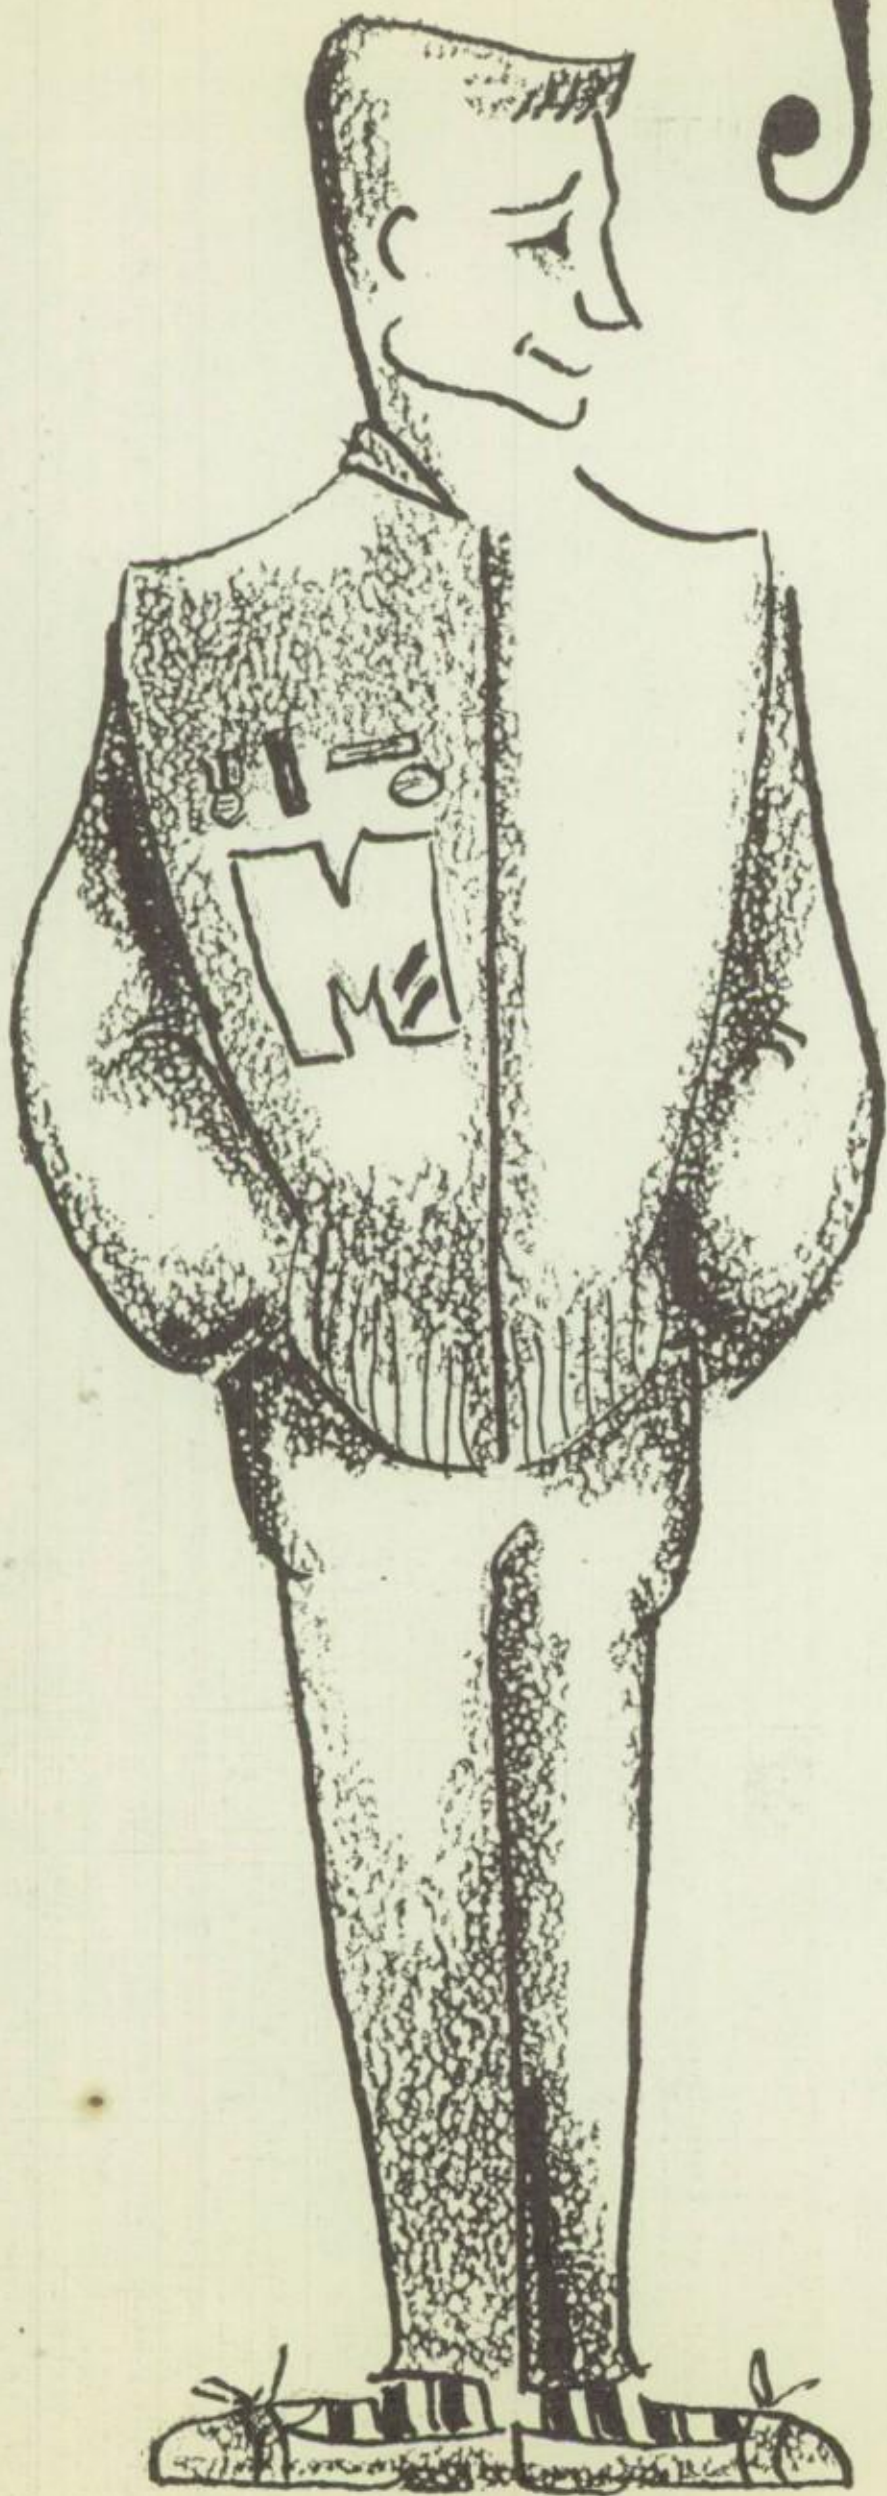

Kay was 1956 representative to Oklahoma Girls' State. She serves as president of the Student Council. The job of Senior Class Secretary is in her hands also. She is a member of the National honor society and serves actively in the Bomberette Pep Club. Here is a very excellent choice for "Best All Around."

David is also always willing to serve when needed. He is president of the senior class and vice president of the "M" Club. He was chosen as a 1956 representative to Boys' State. David has lettered two years in football and three years in baseball. David was a wise choice indeed.

First row: Franck Ogle, Clayton Bain, Dale Harris, Strippy Biggers, Don Millican, Vic Johnson, Chester Fennell, Douglas Markham, Mike Ream, Richard Dodson. Second row: Rosco Lavelle, David Barber, Don Colston, Leon Anderson, Gary Burchart, Jackie Hawkins, Wayne Yarbrough, Roy Hall, Harris Henson. Third row: Assistant Coach Jim Harris, Lewis Dearing, Billy Williams, Jim Bryant, John McLean, Roger Cole, Phil Washburn, Joe Genova, Warner Workman, Coach Jim Darnell. Fourth row: Jack Ritter, David Blevins, Nolan White, Bill Daniels, Martin Fricks, Maurice Severson, Leroy Porter, Howard Lane.

The Midwest City Bombers Football Team completed the 1956 season with a 5-4-1 Record. The Bombers played one of the hardest schedules in the state. The best victory of the year was the 7-6 defeat of the Douglass High School team which later won the state AA Championship. Many fine things can be said about the 1956 squad, but one asset stands out above all, their desire to play as well as possible every day.

To these seniors we wish great success in later life: Martin Fricks, David Blevins, Howard Lane, Ends; Nolan White, tackle; Don Colston, Guard; Bill Daniels, center; and Leon Anderson, Lewis Dearing, Douglas Markham, Ronnie Uhl, backs.

To the Juniors and Sophomores, we say carry on the great winning spirit and school pride that these Seniors have displayed. From the coaching staff, who realize how hard these boys have worked and the many sacrifices they have made to become good athletes, we say MANY THANKS.

To these coaches we owe our thanks for guiding our team to the success it has had.

Jim Harris, Ed Jacobsen, Babe Eubanks, Head Coach Jim Darnell.

Left to right: Captain, Don Hilderbrand, Jim Bryant, Bruce Dunn, Gary White, Fred Swan, Martin Fricks, Johnny Jacobsen, John "Willie" Hanlon, Vic Johnson. Not pictured: David Barber, Ronald Ernest. Kneeling: Coach, John Pratt. Trophies: Midland Conference and Southeast Consolation.

The 1956-1957 M.C.H.S. basketball team sported the best won-lost record in the school's history with 20 wins and only 4 losses.

Coach John Pratt's battling Bombers were ranked sixth among AA schools in the state by the Daily Oklahoman. Highlights of the season were two wins over the powerful Douglas Highschool Trojans of Oklahoma City; winning the Midland Conference Championship; and Junior center, Gary White, winning the individual scoring championship for schools in the city area by averaging slightly more than 20 points per game.

The team will long be remembered for its tremendous desire and hustle.

The Bomber wrestling team continues to improve each year as honors start coming to several of our wrestlers. The team record was 19 won, 3 lost, and 1 draw. The season was climaxed by two fine team victories over the strong Bristow and N. W. Classen teams. The Bombers placed 5 boys in the state finals, including captain, Mike Curry. Don Millican was regional 136-pound champion.

Midwest is fast being known as a school which is good in all sports. By being good in its sports, a team not only makes themselves a name, but their whole town.

Midwest City this year alone had an outstanding amount of good sports records. The football squad was outstanding as always. In wrestling, our team has progressed to become one of the finest in the state. Our basketball team, which was ranked one of the highest in the state, is to be commended for their sport and enthusiasm, as well as their ability to handle the ball. Our baseball team is sure to be a success again this year. On top of that, we have many other sports coming to the front such as track, golf, and tennis.

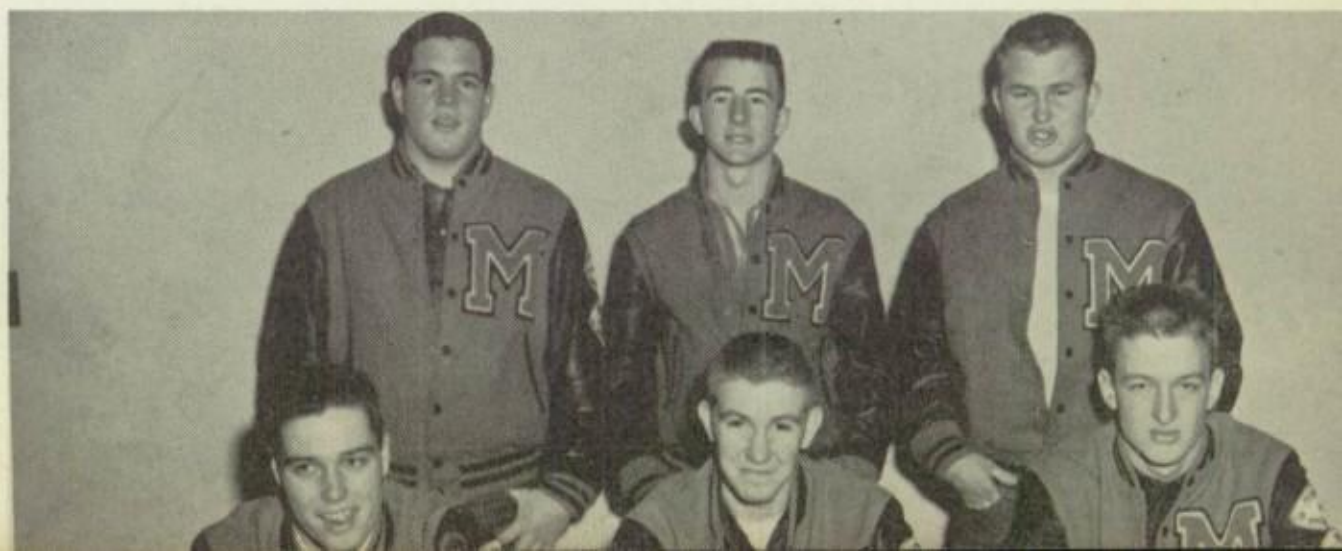

The boys that make up these good teams are the same boys who make up the "M" Club, a club for all boys who letter in some sport while in our school. It is the same principle as are the clubs in other cities of our size. It promotes good sportsmanship as well as it establishes better feelings between different sports.

Council

Preamble to the Constitution

We, the representatives to the Midwest City High School Student Council, in order to promote better citizenship by encouraging higher scholastic standards, high ideals, and better school spirit, do establish this constitution for Midwest City High School.

OFFICERS 1956-57

Seated: Kay Ward, Larry Myers, Shirley Crawford. Standing: Phyllis Mills, Gay Smith, John Bauman, Kay Cowan, Carlene Dickerson, Sponsor - Mrs. Ruby Barber.

First row, left to right: La Cretia Chandler, Peggy Henderson, Gary Rayburn, Larry Myers, Shirley Crawford, Kay Ward, Carlene Dickerson. The school year 1956-57 has been one of "firsts" for the Student Council. Not only has it continued with its usual activities, but it has also taken on many new ones, one being the juke box in the cafeteria. It furnishes the income which will be used for bringing a foreign student to M.C.H.S. next year. This Foreign Student Fund was the Council's main project this year.

Conveniences furnished the student body by the Student Council were the mixers after the games, student directories, and the selling of the yearbook you are now enjoying. This year, for the first time, the yearbook goal of six hundred books, was reached and passed.

Under the able sponsorship of Mrs. Ruby Barber and Mr. D. H. Winn, the Student Council has certainly succeeded in accomplishing the goals set forth in its constitution, namely, "to promote better citizenship by encouraging higher scholastic standards, high ideals, and better school spirit."

Distributive Education

Distributive Education courses are made available through the school system in order to educate and familiarize students on the various ways of distributing goods to the consumers.

Students enrolled in these classes receive working experience through paid, part-time employment, which enables them to obtain the right amount of skill to be a competent worker.

To be eligible to enroll in this highly educational class, a student must be the age of sixteen or over, should have a great deal of interest and aptitude for various working fields with which D. E. is connected. The student not only receives credit for class work, but also for the working experience he is obtaining.

Some of the activities during the year are: Initiation program, Christmas party, D. E. breakfast, Employer-Employee Banquet, and last, one of the highlights of the year - the State D. E. Convention that all the D. E. Members look forward to.

National Honor Society

The Midwest City Chapter of the Honor Society, established in 1949, is a duly authorized and chartered chapter of the National Honor Society of Secondary Schools.

Being granted membership in the Society is perhaps the greatest honor that the school can bestow on its students as it indicates excellence, well-rounded personalities, considering as the basis for selection of members the qualities of Scholarship, Leadership, Service, and Character.

The local chapter maintains the very high scholastic requirement of a 3.6 grade point average for the three-year senior high school course, with the additional requirement that every semester's work consist of a minimum of four full credits, solid subjects in addition to any activities carried.

One of the newest clubs at M. C. H. S. is the Music Club. This organization, under the sponsorship of Mr. Lykins, has done much for the improvement of music throughout the school. Besides helping with the Symphony, their highlight of the year was a talent show given late in January.

The club's purpose is: "To develop and share our interests and experiences in music with others." Its motto is: "Use what talent you have. The woods would be very quiet indeed if only the birds who sang best, sang."

The Art Club attended several Art Shows at the Oklahoma Art Center and at Oklahoma University. They feel they have had a successful year and wish to express their appreciation to their officers for their leadership.

CARL C. BYERS

Carl C. Byers, a superintendent of the Parma Public Schools in suburban Cleveland, is active in Ohio and national education affairs. He is an exponent of the theory that people would live longer and more abundantly if they would swap their worries for laughs. He is very seriously a funmaker, dispensing humor as a druggist dispenses tonics. This gift - a balanced blend of universal Mirth, Wit and Wisdom - makes Byers one of the most versatile and outstanding speakers of the day.

Dr. William H. Alexander, pastor of the First Christian Church of Oklahoma City, is one of the Southwest's best-known ministers and a man of many activities. He is scholarly, well trained and effective. He holds the honorary degree of L. L. D. and recently received an honorary Doctor of Divinity Degree from Miami University of Oxford, Ohio.

During the latter part of World War II, he served in the European Theater of Operations as War Correspondent for the Daily Oklahoman, the Oklahoma City Times and the Christian Evangelist.

In later years, while turning these pages, if you should recall the many smiles, sorrows, and dreams of '57 we shall be content, knowing that we have done the thing we were called upon to do.
